

Confirmation Record

Congratulations on choosing to complete your sacraments of initiation, this necessary completion of the graces given at Baptism! By the sacrament of confirmation you are more perfectly bound to the Church and enriched by special strength of the Holy Spirit. Hence, you will become a true witness of Christ, and be more strictly obliged to spread and defend the faith by word and deed (Code of Canon Law 1285).

I am baptized and have received suitable instruction. I have requested to receive the Sacrament of Confirmation and I am able to renew my baptismal promises (CCC 889). I have reached the age of discretion (CCC 891).
